PRESS RELEASE

Martha's Village Emergency Pantry Needs Your Help Now

Martha's Village & Kitchen distributes food & other supplies to neighbors in your community who are experiencing an emergency situation. Often infants and small children are affected and suffer the most. During this economic downturn, there are continuous requests for baby items, and donations have steadily declined.

Please help to keep the pantry filled with:

- **Baby formula (e.g. Enfamil and Similac)**
- **Diapers (preferably sizes 4, 5 and 6)**

You can bring the items directly to:

Martha's Village & Kitchen
83791 Date Ave.
Indio, CA 92201

All donations are tax deductible.
